GUARANTEE

METALSISTEM S.p.A., Viale dell'Industria 2 – Rovereto, as manufacturer of industrial metal shelving, declares the following as guarantee:

1. The quality and fabrication of the material is guaranteed. The load bearing capacity performance of the structure will be maintained for a period of ten (10) years. Those components used in applications which are not strictly structural are guaranteed for a period of one (1) year from the date of delivery of the goods. Vice and defects arising from normal wear and tear or improper or inappropriate use of the components are excluded from any form of guarantee.
2. The purchaser forfeits all rights to the guarantee if the payment conditions are not satisfied, or if defects are caused by inability, abnormal use, overloading, modification to or intervention in the structure, or for damages attributable to force major.
3. No longer than eight (8) days after the delivery of the goods, or from the discovery of a latent defect, the purchaser shall inform Metalsistem S.p.A by registered mail of all faults and defects otherwise all material shall be considered accepted without reserve.
4. METALSISTEM S.p.A. guarantees the availability of spare parts for the period of supply, through its warehouse, for a period of five (5) years from the signature of the minutes of the handover of the structure.
